

ICRED 2023

November 9-11, 2023 | Kuala Lumpur, Malaysia

The 9th International Conference on Renewable Energy and Development

Submission Deadline:
September 15th, 2023

Registration Deadline:
October 15th, 2023

Conference Dates:
November 9-11, 2023

Notification Day:
September 30th, 2023

Camera Ready:
October 20th, 2023

TOPICS

Renewable Energy

Solar energy
Wind energy
Bio energy
Tidal energy
Ocean thermal
Geothermal energy
Small hydro; power
Hybrid energy systems
Applications in agriculture
Storage technology
Grid and off-grid issues
Remote area power supply
Power system technology
Innovations in renewable energy

Sustainable Development

Sustainable energy and environment
Green manufacturing
Agricultural sustainability
Zero energy building
Waste management
Energy management / audit
Energy policies and economics
Energy efficient systems
Sustainability in process industries
Safety for all
Energy Security and Clean Use
Green infrastructures

Proceedings

- After a careful reviewing process, all accepted papers after proper registration and presentation, will be published into into the volume of Conference Proceedings, which is indexed by **Scopus**.
- **ICRED 2021** | IOP Conference Series: Earth and Environmental Science, Vol. 994 | Scopus

Submissions

- Please send your abstract/full paper to Ms. Yvaine Y. N. Yang , via icred@zhconf.ac.cn
- Log in the <http://confsys.iconf.org/submission/icred2023> to submit your full paper and abstract.
